REDEFINING LUXURY IN WINDSOR

THE STORY OF THE HARTE & GARTER HOTEL

William the Conqueror chose the site of Windsor shortly after 1066, and built a castle high above the river Thames, on the edge of a Saxon hunting ground. It was a day's march from London and intended to guard the western approaches of the capital.

A small town quickly grew around the walls, and there were several inns in the High Street to accommodate visitors. One of them was called the Garter Inn, named after the Most Noble Order of the Garter, which was founded by King Edward III in 1348. The other was named The White Harte, named in honour of the Royal Emblem worn by King Richard II (1377-99).

Both taverns were frequented by actors appearing in plays performed at Court, and The Garter Inn was the setting for a scene in Shakespeare's 'Merry Wives of Windsor', in which the rollicking figure-of-fun Sir John Falstaff appears with his followers Bardolph, Pistol, Nym, and his page Robin. It was also here that the Merry Wives, Mistress Page, Mistress Ford and Mistress Quickly hatched the plot to trap Sir John at the Herne Oak in Windsor Great Park.

Because both buildings were constructed mainly of lathe and wattle they were extremely susceptible to

fires, and in 1681 both buildings were completely destroyed and then rebuilt. In the late 19th century they were joined together to form the Harte & Garter Hotel, a building in the 'Jacobethan' style, much loved by the Victorians and reflecting the Shakespearean connections.

In 2007 the hotel was bought and enjoyed a £8.5million sympathetic refurbishment enhancing many original features. Having added a Spa and Conference facilities, this remarkable property offers you a combination of classical style blended seamlessly with all the modern essentials such as complimentary WiFi.

Anyone who comes to Windsor will appreciate this ancient hotel and its restaurant. After the glories of the Castle, St George's Chapel and Eton College you can be sure of a warm welcome and efficient and pleasant service that has always been the hallmark of the Harte & Garter since it first opened its doors.
