

# THE TOWER &

BAR BRASSERIE

## WINE LIST

Champagne Moutard is a traditional family run business situated in the picturesque village of Buxeuil. The vineyards are located in the southern part of Champagne, on the sunny slopes of the Cotes des Bar. Very old cellar books relate their activity as vine growers back to the 17<sup>th</sup> century.

Their Champagnes are made from their own grapes and the grapes that they buy in from friends who are also vine growers.

The clay and chalky soil of the Cotes des Bar gives a rich and very specific aroma to the traditional champagne vines, Pinot Noir and Chardonnay.

In order to offer perfectly mature Champagnes, the cuvees are left to mature in their cellars for a minimum of three years and up to fifteen years for vintage champagnes.
